

2025 Chinese Dementia Symposium

Dr. Gary Cheung 張子華

Dr. Yu-Min Lin 林育民

Dr. Cannis Tse 謝小珍

Dr. Carlos Lam Yang 林樂豐

Age Concern Auckland warmly invites you to a special **Chinese Dementia Symposium** for our Chinese community, bringing together leading experts for the first time to share practical knowledge and advice. Hear from dementia specialist doctors, GPs and University of Auckland researchers on preventing and caring for dementia, and take part in **interactive brain health activities, free health checks, consultations with health advisors, and basic kidney check**. Don't miss this opportunity to take a proactive step in protecting your own health and that of your loved ones. We look forward to welcoming you!
